

# Addendum No. 1

## Chalk Bluff Parallel Siphon

### Contract No. 0910-176

January 12, 2010

The following information is by reference incorporated into the bid document for the above referenced project. The bid dates and times remain the same.

1. Specification Section 00800: Supplementary Conditions, Article 4 Standards, Subsection 4.02 shall be deleted.
2. Drawing Sheet PP-1: The existing rock-lined and concrete trapezoidal ditch approximately along Station 6+15 through 6+90 shall be demolished, removed and disposed of by the Contractor in order to install the new improvements. No separate bid item shall be provided for this and the cost of this work shall be included in the pipe installation and outlet structure costs.
