Box 30013, Reno Nevada 89520-3013 hereinafter referred to as "Owner".

WITNESSETH:

That for and in consideration of the promises and agreements hereinafter made and exchanged, the Owner and the Contractor agree as follows:

1. **Scope of Work.** The Contractor will furnish all labor, materials, equipment, tools, transportation, services, appliances, and appurtenances for the construction of the **City of Reno 2011 Unit 1 Main Replacements** in accordance with the Contract Provisions, Plans, and Specifications therefore, adopted by the Owner as prepared by Owner and all work incidental or reasonably inferable which is necessary to produce the results intended by the Contract Documents (the "Work"). The Contractor represents and agrees that it has carefully examined and understands this Agreement and the other Contract Documents, has investigated the nature, locality and site of the Work and the conditions and difficulties under which it is to be performed, and that it enters into this Agreement on the basis of its own examination, investigation and evaluation of all such matters and not in reliance upon any opinions or representations of the Owner, or any of their respective officers, agents, servants, or employees.
2. **Contract Sum.** Owner shall pay the Contractor, as full and complete compensation for Contractor's timely performance of all the Work in accordance with the Contract Documents and to the satisfaction of Owner, the lump sum amount of **Seven Hundred and Twenty One Thousand, Five Hundred Ninety Seven Dollars and Fifty Cents (\$71,597.50)**. The amount set forth above includes the aggregate amount of all allowances and unit price items to be furnished or installed.
3. **Progress Payments.** The Owner will pay the Contractor progress payments and the final payment in accordance with the provisions set forth in the Specifications computed from the actual quantities of work performed and accepted, and the materials furnished, at the unit and lump sum prices shown in the Proposal, as bid in conformance with the Contract Documents defined hereinafter. Owner will retain from such estimated value of the work done the amounts specified in the General Conditions. Owner shall pay to Contractor, at the end of each quarter this Agreement is in effect, interest for the quarter on the amount withheld at a rate to be determined by Owner in accordance with NRS 338.515. Except with respect to any payment withheld pursuant to NRS 338.525, the amount of payments withheld as provided herein shall be retained for a period of 30 days from the date of project Completion and acceptance. 4. **Time of Completion.** Contractor shall promptly commence and diligently prosecute the Work to be performed under this Agreement and achieve 100 percent completion by **November 19, 2010** to the entire satisfaction of the Owner before final payment is made. All times stated in the Contract Documents, including interim milestones and those for the delivery and installation of materials and equipment, are of the essence of this Agreement
5. **Liquidated Damages.** Owner and Contractor recognize Owner will suffer extensive damages if the Work is not completed within the time specified above, the exact amount of which is difficult to ascertain. Accordingly, if Contractor fails to achieve 100 percent completion of the Work within the time specified above, Owner shall be entitled to retain or recover from Contractor, as liquidated damages for delay (but not as a penalty) the sum of **\$1,200** per day commencing on the expiration of the time specified above and continuing until the actual date of 100 percent completion. 6. **Prevailing Wage.** Contractor will pay, and will require all subcontractors to pay, unless otherwise exempt there from, all employees on said work a salary or wage at least equal to the prevailing salary or wage established for such work as set forth in the wage determinations and wage standards applicable to this work, as contained in or referenced by the Contract Provisions for this work. Contractor shall forfeit to the Owner, as a penalty, not less than \$20 nor more than \$50 for each calendar day and portion thereof that each workman employed on the public work: (a) is paid less than the designated rate for work done under the contract by the Contractor or any subcontractor under him (b) is not reported to the public body awarding as required pursuant to NRS 338.070. In the performance of this Contract, not more than eight (8) hours shall constitute a day's work, and the Contractor shall not require more than (8) hours of labor in a day from any person employed by him hereunder. Contractor shall keep accurate records showing the name, occupation and actual per diem wages and benefits paid to each workman employed by him in connection with this project. The records shall be open to inspection by Owner, its officers and agents and at all reasonable hours.
7. **Acceptance and Final Payment.** As soon as practical following the completion of all phases of the Work, the Contractor shall make request by letter to Owner for a final inspection and acceptance of the Work, and if, in Owner's opinion, all provisions of the Contract Documents and Agreement have been satisfied, Owner will cause a Notice of Completion to be completed by the Project Manager and sent to the Labor Commissioner. Final payment, constituting the entire unpaid balance of the contract sum, shall be made by Owner to Contractor when the Contract has been fully performed by Contractor except for Contractor's responsibility to satisfy requirements, if any, which necessarily survive final payment; and the Notice of Completion has been sent to the Labor Commissioner. Final payment shall be made by Owner not more than 30 calendar days following the Notice of Completion, as specified in the General Conditions. Final payment is further subject to Owner's prior receipt from Contractor of all as-built drawings, certifications, prevailing wages, maintenance manuals, operating instructions, written guarantees, warranties, and bonds relating to the Work, and assignments of all guarantees and warranties from subcontractors, vendors, suppliers, or manufacturers, all as required by the Contract Documents. Acceptance of final payment by the Contractor shall constitute a full waiver and release by the Contractor of all claims against Owner arising out of or relating to this Agreement.

Contractor or his subcontractor(s) failure to pay premiums will automatically authorize Owner to, at its option, terminate this Agreement or withhold amounts from funds due the Contractor and make insurance premium payments on behalf of the Contractor and/or his subcontractors.
9. **Performance and Payment Bonds.** The Contractor shall, prior to the execution of the Contract, furnish two bonds on the forms bound herein approved by the Owner, one in the amount of One Hundred Percent (100%) of the Contract price, to guarantee the faithful performance of the work, and one in the amount of One Hundred Percent (100%) of the Contract price to guarantee payment of all claims for labor and materials furnished.
