Justine Chambers, Purchasing/Contracts Administrator

1. **NOTICE OF RIGHTS**

1.1. TMWA reserves the right to reject any or all bids or any part thereof, and to waive any informalities or irregularities.

1.2. TMWA reserves the right to require such surety as may be deemed necessary for the protection of TMWA, or to ensure the satisfactory performance of a Bidder in accordance with the specifications and bid documents.

1.3. TMWA reserves the right to withhold award for a period of thirty (30) days from the date of bid opening. Therefore, responses to this bid shall be valid for a period of thirty (30) days from the date required for receipt of bids.

1.4. TMWA reserves the right to award in whole or in part, by item, group of items, or by section where such action would serve TMWA's best interest. Bids identified on the basis of "**ALL OR NOTHING**" will be excluded from this provision.

1.5. TMWA, and its joiners, are tax exempt public entities and are not subject to federal excise, state or local taxes. Exemption numbers or certificates shall be furnished upon request.

1.6. TMWA may require prior to bid award an onsite demonstration of any item proposed at bidder's expense.

1.7. The Purchasing/Contracts Administrator for TMWA, acting as the Administrator of this contract, may audit any and all records pertaining hereto. He shall have access to view all equipment and facilities utilized by the Bidder. Such access shall be to determine the ability of the Bidder to perform in accordance with the provisions of these documents.

2. **RIGHT OF JOINDER CONTRACTS:**

2.1. TMWA reserves the right, pursuant to Nevada Revised Statutes 332.195 to allow other public entities, whose requirements and standards coincide herewith, to join or use this contract throughout the term of this contract.

2.2. Any entity joining herewith shall have and reserve any and all rights held by TMWA herein and shall be given equal consideration.

2.3. TMWA shall require any public entity joining herewith to commit and pay for such equipment or product(s) by means of their individual accounting and Purchasing & Contracts Department.

3. **PREPARATION OF BIDS:**

3.1. Bids must be submitted in accordance with any document attached hereto and made an integral part hereof.

3.2. Bids must be submitted on forms supplied by TMWA and presented according to the instructions for the submission of bids.

3.3. Bidders are expected to examine these documents carefully. Failure to do so will be at the bidder's risk.

3.4. Bidders are urged to proofread their bids carefully for any errors.

3.5. Any irregularities or lack of clarity in any of the bid documents should be brought to the attention of the Purchasing/Contracts Administrator as soon as possible so that corrective addenda may be furnished to all bidders.

3.6. Alterations or erasures must be crossed out and the corrections thereof printed in ink or typewritten adjacent thereto. Any corrections must be initialed, in ink, by each person signing the bid.

3.7. In the case of a difference between written words and figures, the amount stated in written words shall govern.

3.8. In the case of a difference between a unit price and the extended price, the unit price shall govern.

3.9. All prices shall be F.O.B. TMWA. No additional charges for freight, packaging, handling, insurance, etc., shall be allowed. Bidder shall be responsible for all shipping charges for items returned due to error and/or unacceptable condition.

3.10. If the bidder proposes to modify a product so as to make it conform to the requirements of this bid, he shall make a request prior to bid opening. Any request for modification will be approved or not-approved by addendum to all bidders.

3.11. TMWA reserves the right to accept or reject any or all alternatives or exceptions offered, based solely on the value of said alternatives or exceptions to TMWA.

4. **COLLUSION, DISCRIMINATION AND/OR PRICE FIXING:**

4.1. The bidder certifies that any and all prices which he may charge under the terms of the contract do not, and will not, violate any existing federal, state or municipal laws or regulations concerning discrimination and/or price fixing. The bidder agrees to indemnify, exonerate, and hold TMWA, and any of its joiners, harmless from liability for any such .

6. **SUBMISSION OF BIDS:**

6.1. **Acknowledgment:** The successful bidder understands and acknowledges, when signing this bid solicitation, that if he fails to provide the product(s) within the requirements of the delivery schedule, or if he fails to satisfy the requirements of these documents or any guarantee or warranty by not performing in accordance therewith, that such failure shall be deemed a material breach and TMWA may pursue all remedies available at law.

6.1.1. No bidder may assign any agreement resulting from award of this bid without the express written permission of the TMWA Purchasing/Contracts Administrator or designee.

6.1.2. All bidders must hold all valid licenses and permits required for the business they seek to perform prior to any bid being awarded. However, possession of said license(s) is not a prerequisite for bidding.

6.2. The entire Proposal Summary shall be enclosed in a sealed envelope addressed to:

Truckee Meadows Water Authority (TMWA)
Attention Justine Chambers:
(Physical Address) 1355 Capital Blvd., Reno, NV 89502 (775) 834-8056
(Mailing Address) P.O. Box 30013, Reno, NV 89520-3013

6.3. All signatures must be original. Copies will not be accepted.

6.4. All bids must be sealed. TMWA will not be responsible for the premature opening of a bid not properly addressed or identified. Clearly identify on the outside of the envelope the following information: The Contract Number, The Descriptive Project Name, The Date and Time the Submission is Due.

6.5. All bids received after the date and time set for receipt will be **REJECTED**.

6.6. No bids will be accepted by Facsimile transmission.

6.7. Bids may be modified by written notice provided such notice is received prior to the date and time set for receipt of bids. Facsimile modifications will not be accepted.

6.8. When a bid bond is required, said bond will be acceptable only in the form of a certified check, cashier's check, or a bond issued by a reputable solvent surety company authorized to do business in the State of Nevada.

7. **WITHDRAWAL OF BIDS**

8.1. Bids may be withdrawn by written notice, provided such notice is received prior to the date and time set for receipt of bids.

8.2. Notice of withdrawals received after the bid opening will not be considered.

9. **APPEAL BY UNSUCCESSFUL BIDDER(S)**

9.1. The Truckee Meadows Water Authority Contracts Division will post the recommendation for award of this Contract on the website: http://www.tmh2o.com/about_us/doingbusinesswithtmwa/. Any Bidder which submitted a bid to TMWA may protest the recommendation for award in accordance with the procedures set forth in NRS 338.142.

9.2. The protest must be submitted in writing to TMWA's Purchasing and Contracts Administrator. In addition to any other information required by law, the protest shall include the following information:

9.3. The alleged violations(s) of:

9.3.1.1. Contract Documents referencing page number, item, and paragraph.

9.3.1.2. Nevada Revised Statutes referencing the specific chapter, section, and subsection.

9.3.1.3. Local codes or ordinances referencing section number.

9.3.1.4. Supporting documentation such as Nevada State Bidders Board licensing information or other detailed proof to substantiate the protest.

9.4. The Bidder filing the protest shall, at the time the protest is filed, post a bond with a good and solvent surety authorized to do business in the state of Nevada, or submit a cashiers check, money order, or certified check, to TMWA who will hold the bond or other security until a determination is made on the protest. The bond or other security submitted with the protest shall be in an amount equal to the lesser of 25 percent of the total Base Bid submitted by the Bidder filing the protest, or \$250,000.00.

9.5. If the protest is upheld, the bond or other security will be returned to the Bidder who submitted the protest.

9.6. If the protest is rejected, a claim may be made by TMWA against the bond or other security in an amount equal to the expenses incurred by TMWA because of the unsuccessful protest. Any money remaining after the claim has been satisfied will be returned to the Bidder who posted the bond or submitted the security.

9.7. The protest filed in accordance with these provisions operates as a stay of action in relation to award of the Contract until a determination is made by TMWA on the protest.

9.8. An unsuccessful Bidder may not seek any type of judicial intervention until TMWA has made a determination on the protest and awarded the Contract.

9.9. TMWA will not be liable for any costs, expenses, attorney's fees, loss of income, or other damages sustained by a Bidder, whether or not the Bidder files the protest.

9.10. TMWA's Administrator of Purchasing and Contracts will promptly issue a decision in writing to the protester and any other intervening party. If the protester or any other intervening party wishes to appeal the decision rendered by TMWA's Administrator of Purchasing and Contracts to the TMWA Board, such appeal shall be made within 48 hours from receipt of the decision by submitting a notice of appeal in writing to TMWA's Administrator of Purchasing and Contracts.

9.11. An award recommendation will be made and presented to the Truckee Meadows Water Authority Board for a final decision.

9.12. TMWA will not consider protests unless the procedures specified in this Section are followed.

10. **AWARD OF CONTRACT**

10.1. TMWA will award the bid/contract on the basis of the bid or bids most advantageous in consideration of the criteria set forth in the State of Nevada Local Government Purchasing Act, Chapter 332 of the Nevada Revised Statutes. The evaluation of bids and the determination as to the quality of the product(s) offered shall be the responsibility of TMWA and will be based on information furnished by the bidder in his responding proposal, as well as other information reasonably available. In determining whether a bid is most advantageous, in addition to price, TMWA may consider the following:

- 10.1.1. The ability, capacity and skill of the bidder to perform the contract or provide the service required;
- 10.1.2. Whether the bidder can perform the contract or provide the service promptly, and within the time specified without delay or interference;
- 10.1.3. The character, integrity, reputation, judgment, experience and efficiency of the bidder;
- 10.1.4. The quality of performance on previous contracts;
- 10.1.5. Previous compliance of laws or ordinances by the bidder;
- 10.1.6. The financial responsibility of the bidder to perform under the contract or provide the service;
- 10.1.7. The limitations of any license the bidder may be required to possess;
- 10.1.8. The quality, availability, and adaptability of the product or service;
- 10.1.9. The ability of the bidder to provide future maintenance and/or service;
- 10.1.10. The number and scope of conditions attached to the bid; and
- 10.1.11. The life cycle, maintenance and performance of the equipment or product being offered.

10.2. A Purchase Order, faxed, mailed or otherwise furnished by the Purchasing & Contracts Department, to the successful bidder, is a binding contract without further action by either party.

10.3. After the award of bid, TMWA will post a notification of who the contract was awarded to on the web site: http://www.tmh2o.com/about_us/doingbusinesswithtmwa/. All money order's or cashier's checks received will be returned within two (2) weeks from award of contract.

11. **TELEPHONE CONTACT:**

11.1. Awardee(s) shall be required to maintain telephone service such that TMWA may contact or leave a message for the Awardee(s) or their designee at any time. Awardee(s) shall provide advance notice to TMWA Purchasing & Contracts of any change in telephone number.

12. **HAZARDOUS SUBSTANCES AND MATERIAL:**

12.1. Awardee(s) agrees to submit complete and up-to-date Material Safety Data Sheets, herein referred to as MSDS, as defined and prescribed in 29 C.F.R. Section 1910.1200 on all chemicals/materials to be utilized in the performance of services as specified herein.

12.2. Awardee(s) shall submit all applicable MSDS to TMWA with the initial shipments of services.

12.3. Awardee(s) shall maintain on-site MSDS for chemicals/materials in storage or in use at any TMWA Facility, and conform with all applicable safety requirements regarding same, including the labeling of all secondary containers as to their contents.

13. **INDEMNIFICATION:**

13.1 Awardee(s) shall be required to indemnify and hold TMWA, including its joiners, officers, employees, and its agent's harmless from any liability with respect to, but not limited to, claims for damages as a result of bodily injury, sickness, disease, death, or property damage arising or resulting from the breach of the contract or negligent acts or omissions of awardee or its employees in performing obligations under the contract.

13.2 HEALTH, SAFETY AND LIABILITY. TMWA acknowledges that there are hazards associated with Product, including the storage, use and handling thereof, and TMWA agrees that its employees, agents, contractors, and others concerned with Product are aware of such hazards. TMWA assumes all responsibility for the suitability and the results of using Product alone or in combination with other articles or substances and in any manufacturing, medical, or other process or procedures. Awardee will provide documents to TMWA containing Awardee's safety and health information pertaining to Product, including Awardee's Material Safety Data Sheet(s).

14. **COMPLIANCE WITH IMMIGRATION AND NATURALIZATION LAWS:**

14.1. Awardee(s) shall at all times comply with Immigration and Naturalization Laws regarding eligibility of their employees or subBidders to work in the United States.

15. **COPYRIGHTS AND PATENTS:**

15.1. The successful bidder hereby guarantees that he will have full legal right of all processes, programs, methods, and techniques employed under the construction, production, and performance of the contract, and agrees to pay all rents, fees, and royalties of every description on any and all patents or patent rights, or copyrights, covering said processes, programs, methods, or techniques.

16. **WARRANTY AND GUARANTEES:**

16.1. The successful bidder agrees that any warranty or guarantee provided for herein or in the specifications shall not be considered as the exclusive remedy of TMWA, or its joiners, for any default in any respect by the bidder, but such warranty or guarantee shall be considered to be in addition to any right or remedy hereunder or otherwise allowed by law, equity, or statute.

17. **STATUS OF AWARDEE:**

17.1. Awardee(s) shall have the status of an "Independent Bidder" as defined by NRS 284.173, and shall not be entitled to any of the rights, privileges, benefits, and emoluments of either an officer or employee of TMWA.

17.2. The Awardee warrants that all persons employed by them to service in any way the equipment placed with TMWA as a result of this bid, have satisfactory past records indicating their ability and capability to accept the responsibilities anticipated with this type of work. All employees shall be required to present identification furnished by Awardee to establish their right to work on the equipment.

18. **PAYMENTS:**

18.1 TMWA, and its joiners, agree to provide payment in a timely fashion, to the successful bidder, when the terms and conditions of the bid and specifications have been completed and fulfilled on the part of the bidder, to the satisfaction of TMWA, or its joiners, of the bid price as presented by a complete and descriptive invoice.

18.2 Prompt payment discounts shall be included in bid evaluation.

18.3 Discount period will be computed from the date of completed delivery/performance or from the date the correct invoice is received by the appropriate TMWA department/division accounts payable clerk, whichever is the later date. Payment is deemed to be made on the date payment is mailed to the Awardee.

19 **DEFAULT OF CONTRACT**

19.1 In case of default by the Bidder (successful bidder), TMWA may procure the product(s) or service(s) from other sources and hold the Bidder responsible for any excess cost occasioned thereby.

19.2 CONTINGENCIES. Neither party hereto will be liable to the other for default or delay in the performance of any of its obligations hereunder (except any obligation to make payments when due) due to act of God, fire, flood, storm, riot, war, act of terrorism, sabotage, explosion, strike, national defense requirements, governmental law, ordinance, rule or regulation, whether valid or invalid, , or any similar contingency beyond its reasonable control which prevents or delays performance or make performance commercially impracticable whether or not the contingency is of the same class as those enumerated above, it being expressly agreed that such enumeration is non-exclusive; provided, however, that neither business downturn nor economic conditions will qualify as a contingency within the meaning of this section. In the event any such contingency affects only a part of Seller's capability to produce and/or deliver Product, Seller will allocate production and/or deliveries among the requirements of all its affected customers and Seller's own requirements in a fair and reasonable manner. In the event that a contingency event prevents Seller from delivering Product then Buyer shall be allowed to seek Product from alternative sources during the period of the contingency.

20 **LIQUIDATED DAMAGES:**

20.1 Availability or payment of liquidated damages shall not preclude TMWA, or any of its joiners, from claiming and collecting damages on account of delay, price changes, loss of other contracts, loss of income, inability of TMWA, or its joiners, to fulfill other damages direct or consequential arising out of the failure of the bidder to perform under the terms, conditions and requirements of the bid documents.

20.2 Availability or payment of liquidated damages shall not preclude TMWA, or any of its joiners, from claiming and collecting damages on account of delay, price changes, loss of other contracts, loss of income, inability of TMWA, or its joiners, to fulfill other damages direct or consequential arising out of the failure of the bidder to perform under the terms, conditions and requirements of the bid documents, to the extent permitted by law

21 **ARBITRATION:**

22.1. Any litigation arising out of this Agreement shall be governed by the Nevada Short Trial Rules as adopted by the Nevada Supreme Court Rules.

22 **TMWA's STORAGE SYSTEM:**

22.1 **TMWA'S STORAGE SYSTEM:** TMWA, at its expense, will maintain a Product Storage System ("Product Storage System") and the site on which such Product Storage System is located. Prior to entering any contract with TMWA, Awardee shall reasonably determine whether such Product Storage System or Product Storage System site is unfit for the storage or delivery of Product Subject to and without waiving any liability limitations available under Nevada law, including without limitation those set forth in NRS Chapter 41, Buyer will indemnify and hold harmless Awardee from and against any and all costs, fees (including reasonable legal fees and expenses), damages, liabilities and claims arising out of TMWA's failure to properly install, maintain or operate such Product Storage System or the Product Storage System site.

23 **TERMINATION:**

23.1. Upon thirty (30) calendar days written notice, with or without cause, either TMWA or the Awardee, may terminate this contract.

24. **INSURANCE.** The Bidder shall be responsible and provide certificates to TMWA. TMWA requires that all contractors who will be on TMWA property provide TMWA insurance certificates. In the event that someone other than the bidder will provide delivery of the material, TMWA will require the Bidder to provide insurance certificates for them as well as the bidder in accordance with the following:

24.1 **By Bidder.** Unless expressly waived in writing by TMWA, Bidder, as an independent Bidder and not an employee of TMWA, must obtain and maintain policies of insurance in amounts specified in this Section 24 and pay all taxes and fees incident hereunto. TMWA shall have no liability except as specified in this Agreement. Bidder shall, at Bidder's sole expense, procure, maintain and keep in force the following insurance conforming to the minimum requirements specified below. Unless specifically specified herein or otherwise agreed to by TMWA, the required insurance shall be in effect prior to the commencement of work by Bidder.

24.2 **Form of Coverage.** Any insurance or self-insurance available to TMWA shall be excess of and non-contributing with any insurance required from Bidder. Bidder's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by TMWA, Bidder shall provide TMWA with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Agreement, an insurer or surety shall fail to comply with the requirements of this Agreement, as soon as Bidder has knowledge of any such failure, Bidder shall immediately notify TMWA and immediately replace such insurance or bond with an insurer meeting the requirements.

24.2.1. **Additional Insured:** By endorsement to all liability policies, except Worker's Compensation and Professional Liability, evidenced by Bidder, TMWA, its officers, employees and immune Bidders as defined in NRS 41.0307, if any, shall be named as additional insureds for all liability arising from the Agreement.

24.2.2. Waiver of Subrogation: Each liability insurance policy shall provide that the insurance company waives all right of recovery by way of subrogation against TMWA, its officers, employees and immune Bidders in connection with damage covered by any policy.

24.2.3. Deductibles and Self-Insured Retentions: Insurance maintained by Bidder shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by TMWA. Such approval shall not relieve Bidder from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed \$5,000 per occurrence, unless otherwise approved by TMWA.

24.2.4. Approved Insurer: Each insurance policy shall be (i) issued by insurance companies authorized to do business in the State of Nevada or eligible surplus lines insurers acceptable to TMWA and having agents in Nevada upon whom service of process may be made, and (ii) currently rated by A.M. Best as “A-VII” or better.

24.3 Policies Required.

24.3.1 Workers’ Compensation and Employer’s Liability Insurance. Bidder shall provide proof of worker’s compensation insurance as required by NRS 616B.627 or proof that compliance with the provisions of Nevada Revised Statutes, Chapters 616A-D and all other related chapters is not required.

24.3.2 Commercial General Liability Insurance. Bidder shall procure and maintain, during the term of this Agreement, occurrence comprehensive general liability insurance for limits of not less than One Million Dollars (\$1,000,000) for bodily injury and property damages, per occurrence, Two Million Dollars (\$2,000,000) products and completed operations aggregate, and Two Million Dollars (\$2,000,000) general aggregate. Coverage shall be on an occurrence basis and shall cover liability arising from premises, operations, independent Bidders, completed operations, personal injury, products, civil lawsuits, Title VII actions and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

24.3.3 Business Automobile Liability Insurance. Bidder shall procure and maintain, during the term of this Agreement, business automobile liability insurance in the amount of not less than One Million Dollars (\$1,000,000) per occurrence for bodily injury and property damage. Coverage shall be for “any auto”, including owned, non-owned and hired vehicles.

24.4 Evidence of Insurance. Prior to the start of any Work, Bidder must provide the following documents to TMWA, Attention: Purchasing & Contracts, P.O. Box 30013, Reno, NV 89520-3013:

24.4.1 Certificate of Insurance. Bidder must provide a Certificate of Insurance form to TMWA to evidence the insurance policies and coverage required of Bidder.

24.4.2 Additional Insured Endorsements. An original Additional Insured Endorsement, signed by an authorized insurance company representative, must be submitted to TMWA, by attachment to the Certificate of Insurance, to evidence the endorsement of TMWA as additional insured.

24.4.3 Policy Cancellation Endorsement. Except for ten days notice for non-payment of premium, each insurance policy shall be endorsed to specify that without thirty (30) days prior written notice to TMWA, the policy shall not be cancelled, non-renewal or coverage and/or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mailed to the address specified above. A copy of this signed endorsement must be attached to the Certificate of Insurance.

Compliance with the insurance requirements of this Agreement shall not limit the liability of Bidder or its sub-Bidders, employees or agents to TMWA or others, and shall be in addition to and not in lieu of any other remedy available to TMWA under this Agreement or otherwise. TMWA reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

Delivery Requirements & Technical Specifications

Doc. No. 4001
(January 27, 2011)

Carbon Dioxide

1 DELIVERY INFORMATION/REQUIREMENTS

- a. TMWA's Carbon Dioxide storage capacity currently consists of 1 (one) 30 ton tank at the Chalk Bluff Water Treatment Plant and 1 (one) 30 ton tank at the Glendale Water Treatment Plant. Each delivery to Chalk Bluff or Glendale shall consist of approximately 15,000 to 20,000 lbs of carbon dioxide.
 - i. All cargo tanks and appurtenant valves shall be in good mechanical condition and be in full compliance with current applicable requirements of DOT Hazardous Materials Regulations.
 - ii. Carbon dioxide shall be delivered by tank trucks in pressure vessels manufactured to American Society of Mechanical Engineers pressure vessel code and complying with the US DOT regulations for hazardous material transportation.
 - iii. Order must be received within 5 business days after order is placed.
 - iv. Chemical analysis sheet must be provided to TMWA upon request.
 - v. Product must be stable and free from noticeable contamination.
 - vi. Bulk deliveries only
 - vii. Truck unloading will be up to (2) hours without charge. Unless otherwise stipulated, deliveries must be made Monday-Friday, 7:00 am – 3:00 pm with a courtesy call at least three hours prior to delivery on the day of delivery stating the anticipated delivery time. Some deliveries may be split between different locations.
 - viii. CONTAMINATED LOADS WILL BE REJECTED
 - ix. All adapters, fittings and equipment used in unloading must be food-grade, clean and free from contamination.
 - x. Prior to loading, the Manufacturer must inspect all tanks used to transport carbon dioxide to the TMWA facilities to ensure that the tanks are clean and free of contaminants. Unless cargo tank is used solely for transport of carbon dioxide, a certificate of clean out certifying that cargo tank has been washed/decontaminated prior to loading, must be provided, from Manufacturer, with each delivery.
 - xi. Driver will state contents of last load previously transported.
 - xii. A certified weight ticket or meter ticket must be submitted with each cargo delivery.
 - xiii. Adapters or other equipment not properly cleaned will be sent out for cleaning at Manufacturer's expense prior to unloading of product.

2 Carbon Dioxide:

The purity of the carbon dioxide shall be in accordance with the Technical Specifications.

The bidder will be required to have documented approval that their product complies with American National Standards Institute (ANSI)/National Science Foundation (NSF) 60 standard or equivalent with TMWA approval. Where TMWA's specifications versus NSF specifications are in conflict, the more stringent requirement with respect to purity and shall govern.

3 OVERFILLING/OVER PRESSURIZING:

Manufacturers shall exercise appropriate caution so as not to overpressure TMWA's carbon dioxide tanks. Manufacturer shall reimburse TMWA for damages, including all parts and labor, to TMWA's equipment and instrumentation as a result of over pressurizing.

Manufacturer shall be responsible for any damage to the carbon dioxide facilities during delivery and shall adhere to all federal, state, and local laws, regulations and ordinances concerning hazardous material handling and transportation. TMWA assumes neither liability for vendor discharges nor cleanup costs of such discharges.

4 REGULATORY COMPLIANCE:

The Manufacturer shall be responsible for compliance with all federal, state, and local statutes, regulations, and/or ordinances regarding the safety, environmental and transportation requirements governed by such agencies as OSHA, EPA, and/or DOT while delivering products to TMWA's facilities.

TMWA shall be responsible for compliance with all federal, state, and local statutes, regulations, and/or ordinances regarding the safety of TMWA's Carbon Dioxide Tanks. TMWA's Carbon Dioxide Tanks are professionally serviced annually and TMWA maintains them to function properly for the transfer of materials.

5 SERVICE:

Upon request, the Manufacturer will be responsible for the provision of technical service regarding the storage, feeding, handling and general usage of the material. Such service may take the form of response to inquiries by TMWA on technical matters and may involve visits of qualified personnel from time to time to review and advise on technical matters relating to the substances. All such services of reasonable nature and frequency will be provided free of charge by the Manufacturer.

6 SEASONAL USAGE

TMWA's estimate for carbon dioxide usage during May through September is approximately 19 shipments of 15,000 to 20,000 pounds per delivery. During the months October through April, the estimated use is approximately 10 shipments of 15,000 to 20,000 pounds per delivery. The weather and various other factors, such as operational requirements, capabilities and priorities, may affect these estimates.

2. Chemical Requirements

Commercial carbon dioxide suitable for use in the treatment of potable water shall have a CO₂ content of at least 99.5 percent by weight.

3. Physical Characteristics

Carbon Dioxide is a colorless, odorless, nonflammable gas, weighing 1.977 g/L at 0°C and at a pressure of 760 mm of mercury. Carbon dioxide creates a characteristic sensation in the nose when inhaled.

4. Contamination

- a. The carbon dioxide shall contain no impurities, mineral, gaseous or organic, which could render the product potentially hazardous to the health of consumers ingesting potable water treated with this material.
- b. The tanker shall be carefully inspected by the Manufacturer to ensure freedom from contaminant material prior to loading.

5. Certified Laboratory Report

- a. TMWA may request certified laboratory reports during the course of the contract to verify product consistency. When requested, the reports shall be submitted to:

Truckee Meadows Water Authority
Attn: Will Raymond, Associate Engineer
PO Box 30013
Reno, NV 89520

- b. The report shall be received by the Truckee Meadows Water Authority within 30 calendar days of a request.
