RATE SCHEDULES

NPS – NON-POTABLE WATER SERVICE

CHARACTER OF SERVICE

Delivery of water under this Rate Schedule shall be provided at the sole discretion of the Authority, and may be subject to interruptions or curtailments for indefinite periods. Curtailment and/or interruption of delivery of water may occur due to various operating conditions including but not limited to cross-contamination or threat of cross-contamination, insufficient water availability, system repairs, maintenance or construction, or with other conditions and circumstances both inside and outside of the Authority's direct ability to control (e.g., acts of God, system repair, system failure, labor disputes, etc). Subject to the foregoing, the Authority shall provide the Customer with as much notice as is practical of any curtailment or interruption of delivery of water and in the event of curtailment or interruption, the Authority will use reasonable efforts to restore delivery of water in a safe and efficient manner.

SPECIAL CONDITIONS

1. For all Non-Potable uses, the Customer will be required to execute an "NPS Service Agreement" with the Authority. The agreement will cover, but is not limited to, sufficient water resources to supply the delivery of water when necessary, cross-connection control issues, delivery rates, specific delivery requirements of the Customer, conditions of delivery, Authority conveyances as to the likelihood of interruption given the Customer's specified requirements, times of year when delivery of water will be required, the nature of curtailment and interruption notices, time allowed for Customer's response to Authority's interruption notification, etc.
2. All costs necessary to provide delivery of water hereunder shall be payable by Customer consistent with the Authority's Rules.
3. The Customer acknowledges that the use of Non-Potable water poses a potential cross-connection risk to the Customer's on-site system and to the Authority's water delivery system. Accordingly, the Customer shall additionally abide with the following conditions of delivery of water.
 - a. The Customer shall obtain all permits and approvals necessary for the use of Non-Potable water.
 - b. The Customer shall identify and provide contact information to the Authority for the Customer's "NPS Supervisor" who shall be responsible for the operation and maintenance of the on-site Non-Potable system.
 - c. The Customer may not connect to the Potable system without approval of the Authority.

RATE SCHEDULES

NPS – NON-POTABLE WATER SERVICE

- d. In the event the Customer maintains a Potable Service from the Authority at the same Service Property as NPS, NPS shall be air-gapped in a manner acceptable to the Authority. An annual inspection of the Non-Potable on-site system shall be performed at the Customer's expense. This inspection shall be performed by representatives from the Customer and the Authority. The Authority may require an annual shutdown test be performed to confirm that no cross-connections exist. The Authority reserves the right to terminate NPS at any time for any reason in its sole discretion.
4. In the event that the Authority interrupts delivery of water to a Customer who is receiving untreated water under this Rate Schedule but the Customer has (1) elected to receive treated water for NPS in the service agreement, (2) the Customer has all necessary cross-connection control devices installed and operational, and (3) the Authority is able to deliver treated water in lieu of untreated water pursuant to this Rate Schedule, the Authority will deliver treated water for NPS and the Customer will be charged the treated water commodity charge listed in this Rate Schedule.
5. Temporary NPS, pursuant to Authority's Rule 2, is available under the conditions of this schedule subject to the terms of the "NPS Service Agreement".
