**PWP#WA-2015-020**

**NOTIFICATION OF PROJECT CANCELLATION**

Truckee Meadows Water Authority has reviewed all three (3) bids submitted for the Innovation Well Ph 2 Developing and Testing project and has decided rejection of all submitted bids is in the best interest of the Truckee Meadows Water Authority. The decision to reject all bids was predicated upon the results of the Innovation Well Ph 1 Drilling and Construction project. Truckee Meadows Water Authority received two bids for its Innovation Well Ph 1 Drilling and Construction. One of the bids was disqualified at bid opening, and the second bid was rejected thereafter. Truckee Meadows Water Authority intends to advertise for new Bids at a future date. Thank you for your interest in this project. Please continue to check the Bidding Opportunities section of TMWA's website for additional bidding opportunities:
