## **Addendum No. 2**

### **Glendale Water Treatment Plant – Filtration Building Leakage Repairs**

PWP Bid No. WA-2015-022  
November 26, 2014

The following information, clarifications, changes and modifications are, by reference, incorporated into the bid documents for the above referenced project. Any work item or contract provision not changed or modified will remain in full force and effect. The bid date and time and construction schedule remain the same.

#### QUESTIONS AND RESPONSES

**QUESTION NO. 1:** I have a question on the bid for the Glendale WTP, Supplementary Conditions 00800-1, Article 2 Contractor's Insurance, 2.02 Builders Risk. This type of coverage is normally not required for the type of work that we perform. It is quite expensive. Would you confirm if it is required for this project so we can bid it accordingly?

**RESPONSE TO QUESTION NO. 1:** Yes, Builders Risk coverage is required for this project

**QUESTION NO. 2:** General Conditions 00700-21, 5.02, G., 4. Pollution Liability Insurance. There would be no exposure from the type of work we would be performing. Please confirm that this is not required for this project.

**RESPONSE TO QUESTION NO. 2:** No, Pollution Liability Insurance is not required for this project.

**QUESTION NO. 3:** Insurance in General Conditions 0070021, 5.02, G., 2. last item "employment-related practices". Clarification - Is this required as it is not standard?

**RESPONSE TO QUESTION NO. 3:** Yes, this is a requirement that the policy not be endorsed or modified such that the scope of coverage is limited for those events/items listed.
