2. **SCOPE OF WORK**

2.1. **Description of Work.** Contractor shall provide and perform the services set forth in the Scope of Work attached hereto as Exhibit A and incorporated herein by reference for and on behalf of TMWA (collectively the “Services”) during the term of the Agreement.

2.2. **Competence to Perform Services.** Contractor represents that it and/or the persons it may employ possess all skills and training necessary to perform the Services described herein and required hereunder. Contractor shall perform the Services faithfully, diligently, in a timely and professional manner, and to the best of its ability, and in such a manner as is customarily performed by a person who is in the business of providing such services in similar circumstances. Contractor represents that neither the execution and delivery of this Agreement, nor the rendering of services by the Contractor hereunder, will violate the provisions of, or constitute a default under, any other contract

or agreement to which the Contractor is a party or by which the Contractor is bound, or which would preclude the Contractor from performing the services required of the Contractor hereunder, or which would impose any liability or obligation upon TMWA for accepting such services. Contractor shall be responsible for the professional quality and technical accuracy of all Services furnished by Contractor to TMWA.

2.3 Completion of Work. This contract continues until either party gives notice as provided for in Section 6 of this Agreement. Contractor shall achieve Substantial Completion by **thirty nine (39) days from the date of the Notice to Proceed** and shall achieve 100 percent completion by **forty six (46) days from the date of the Notice to Proceed**. In addition, the Contractor shall achieve any critical intermediate project milestone dates as identified and defined in Article 7 of the Supplementary Conditions. Contractor shall reschedule or resequence the Work, to the extent possible, to avoid or minimize any delay to the contract time. Contractor agrees it included adequate costs in the Contract Sum to provide sufficient levels of labor and equipment (including overtime if required) to insure that the specified dates are met. The contract time set forth herein assumes **zero (0) weather delay days** will occur during construction of the Project, and the Contract time will not be extended unless weather delay days exceed the days specified above. Should the Contractor fail to complete the Work in the time agreed upon, the Contractor will be subject to liquidated damages as provided herein.

2.4 Permits and Regulations. Before commencing with the performance of any work under this Agreement, the Contractor shall obtain all necessary permits and licenses as may be necessary. Before and during the progress of work under this Agreement, the Contractor shall give all notice and comply with all the laws, ordinances, rules and regulations of every kind and nature now or hereafter in effect promulgated by any Federal, State, County, or other Governmental Authority, relating to the performance of work under this Agreement. If the Contractor performs any work that is contrary to any such law, ordinance, rule or regulation, he shall bear all the costs arising therefrom. Contractor agrees to obtain all appropriate business licenses and provide a copy to TMWA prior to commencing work.

3. **TMWA RESPONSIBILITIES.** TMWA shall:

- a. Make available to the Contractor all technical data that is in TMWA's possession, reasonably required by the Contractor relating to the Contractor's Services.

- c. Examine all reports, correspondence, and other documents presented by the Contractor upon request of TMWA, and render, in writing, decisions

pertaining thereto within a reasonable time so as not to delay the work of the Contractor.

4. **TERM.** This Agreement shall commence on the date first written above and shall terminate upon the completion of the Services (forty six (46) calendar days from the Notice To Proceed), unless sooner terminated by either party as specified in Section 6. Upon mutual consent of both parties, the parties may extend this contract for up to five (5) additional one-year (1) periods commencing on July 1, 2016.

5. **COMPENSATION.**

5.1 **Amount.** As compensation for all of Contractor's Services hereunder, TMWA agrees to pay Contractor compensation based upon time and materials and the attached fee schedule or compensation based upon a lump sum amount as provided for in the attached Scope of Work(s) hereinafter called the "**Contract Sum**". The Contract Sum represents full and adequate compensation for the completed work, and includes the furnishing of all materials, and all labor, equipment, tools, and appliances, and all expenses, direct or indirect, connected with the proper execution of the work

5.2 **Payment.** Payment by TMWA for services rendered by Contractor shall be due within thirty days upon receipt of invoices. If payment is not made in a timely manner, Contractor may, in the event TMWA fails to cure the deficiency after seven days written notice from Contractor, suspend the services under this Agreement until Contractor has been paid in full. TMWA does not agree to and will not reimburse Contractor for expenses unless specifically provided otherwise in this Agreement.

5.3 **Funding Out Clause.** TMWA reasonably believes that funds can be obtained sufficiently to make all payments during the term of this agreement. If the TMWA does not allocate funds to continue the function performed by the Contractor obtained under this Agreement, this Agreement shall be terminated when appropriated funds expire.

6. **TERMINATION.**

6.1. **Termination Without Cause.** This Agreement may be terminated by TMWA without cause upon ten (10) days written notice to Contractor. If this Agreement is so terminated, Contractor shall be paid for all services satisfactorily rendered and expenses incurred to the date of receipt of notice of termination.

6.2 **Cause Termination for Default or Breach.** A default or breach may be declared with or without termination. This Agreement may be terminated immediately by either party upon written notice of default or breach to the other party as follows:

- (i). If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this

Agreement within the time requirements specified in this Agreement or within any granted extension of those time requirements; or

(ii). If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Agreement is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

(iii). If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

(iv). If TMWA materially breaches any material duty under this Agreement and any such breach impairs Contractor's ability to perform; or

(v). If it is found by TMWA that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract.

6.3. Opportunity to Cure. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in Section 6.2, and the subsequent failure of the defaulting party within 15 calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.

6.4 Winding Up Affairs Upon Termination. In the event of termination of this Agreement for any reason, the parties agree that the provisions of this paragraph survive termination:

(i). The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Agreement. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

(ii). Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by TMWA;

(iii). Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Agreement if so requested by TMWA;

(iv). Contractor shall promptly deliver to TMWA possession all proprietary information in accordance with Section 16.

7. INSPECTION & AUDIT.

7.1 Books and Records. Contractor agrees to keep and maintain under general accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to TMWA, the State of Nevada or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

7.2. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), papers, including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by TMWA Auditor, or its contracted examiners, representatives of Washoe County, or any of their authorized representatives. Such records shall include, but not be limited to, those records necessary to evaluate and verify direct and indirect costs (including overhead allocations) as they may apply to costs associated with this Agreement. Contractor shall require all subcontractors, insurance agents, and material suppliers to comply with the provisions of this Section. Contractor will cooperate fully and will cause all of Contractor's subcontractors to cooperate fully in furnishing or in making available to TMWA from time to time all such information, materials and data whenever requested. All subcontracts shall reflect requirements of this paragraph.

7.2.1 Recovery of Costs. If an audit inspection or examination in accordance with this section, discloses overcharges of any nature by the Contractor to TMWA in excess of one-half of one percent (0.5%) of the total contract billings, the reasonable actual cost of TMWA's audit shall be reimbursed to TMWA by the Contractor. Any adjustments and/or payments which must be made as a result of any such audit or inspection of the Contractor's invoices and/or records shall be made within a reasonable amount of time (not to exceed 90 days) from presentation of TMWA's findings to Contractor.

7.3 Period of Retention. All books, records, reports, and statements relevant to this Agreement must be retained a minimum three years. The retention period runs from the date of payment for the relevant goods or services by TMWA, or from the date of termination of the Agreement, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

8. INDEPENDENT CONTRACTOR. Contractor is associated with TMWA only for the purposes and to the extent specified in this Agreement, and in respect to performance of the contracted services pursuant to this Agreement, Contractor is and shall be an independent contractor and, subject only to the terms of this Agreement, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Agreement. Nothing contained in this Agreement shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for TMWA whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and TMWA shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of TMWA; (4) participation or contributions by either Contractor or TMWA to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; (6) unemployment compensation coverage provided by TMWA. Contractor shall indemnify and hold TMWA harmless from, and defend TMWA against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, or representatives shall be considered employees, agents, or representatives of TMWA. TMWA and Contractor shall evaluate the nature of services and term negotiated in order to determine "independent contractor" status and shall monitor the work relationship throughout the term of the Agreement to ensure that the independent contractor relationship remains as such.

9. INDEMNIFICATION BY CONTRACTOR. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding TMWA's right to participate, TMWA from and against any and all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising in whole or in part out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents, excepting therefrom any liability arising out of the sole negligence of TMWA.

10. LIMITED LIABILITY. TMWA will not waive and intends to assert available NRS chapter 41 liability limitations and other liability limitations available at law in all cases. Contract liability of both parties shall not be subject to punitive damages.

Damages for any TMWA breach shall never exceed the amount of funds appropriated for payment under this Agreement, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Contract damages for any Contractor breach shall not exceed 150% of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited. Neither party shall be responsible for the negligent acts of the other party in the performance of this Agreement.

10.1 Liquidated Damages. Owner and Contractor recognize time is of the essence and Owner will suffer extensive damages if the Work is not completed within the

time specified above, the exact amount of which is difficult to ascertain as of the effective date of this Agreement. Accordingly, if Contractor fails to achieve Substantial Completion of the Work within the time specified above, Owner shall be entitled to retain or recover from Contractor, as liquidated damages for delay (but not as a penalty) the sum of **\$250.00 (Two Hundred Fifty Dollars)** per day commencing on the expiration of the time specified above and continuing until the actual date of Substantial Completion is achieved; and if Contractor fails to achieve 100 percent completion of the Work within the time specified above, Owner shall be entitled to retain or recover from Contractor, as liquidated damages for delay (but not as a penalty) the sum of **\$250.00 (Two Hundred Fifty Dollars)** per day commencing on the expiration of the time specified above and continuing until the actual date of 100 percent completion. Owner may deduct liquidated damages from any unpaid amounts then or thereafter due the Contractor under this Agreement. If TMWA terminates the Contractor for default, the resulting damage will consist of liquidated damages until such reasonable time as may be required for final completion of the work together with any increased cost occasioned by TMWA in completing the Work.

11. INSURANCE.

11.1 By Contractor. Unless expressly waived in writing by TMWA, Contractor, as an independent contractor and not an employee of TMWA, must obtain and maintain policies of insurance in amounts specified in this Section 11 and pay all taxes and fees incident hereunto. 11.2.1. Additional Insured: By endorsement to all liability policies, except Worker's Compensation and Professional Liability, evidenced by Contractor, TMWA, its officers, employees and immune Contractors as defined in NRS 41.0307, if any, shall be named as additional insureds for all liability arising from the Agreement.

11.2.3. Deductibles and Self-Insured Retentions: Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by TMWA. Such approval shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed \$5,000 per occurrence, unless otherwise approved by TMWA.

NOW THEREFORE, KNOW ALL MEN BY THESE PRESENTS, that the undersigned, as Principal, hereinafter called Contractor, and Old Republic Surety Company, a corporation duly organized or authorized to do business under the laws of the State of Nevada, as Surety, hereinafter called the Surety, are held and firmly bound unto the Truckee Meadows Water Authority, a joint powers authority created pursuant to NRS Chapter 277, for the Sum of fifty-three thousand seven hundred twenty Dollars (\$ 53,720.00), to be paid to said Truckee Meadows Water Authority for which payment, well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents. This bond shall be governed by the laws of the State of Nevada.

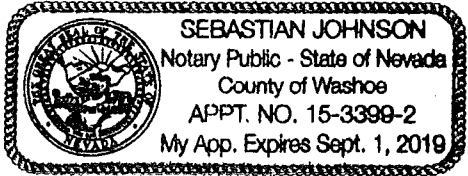

THE CONDITION OF THIS OBLIGATION IS SUCH that, if Contractor shall fail to promptly and faithfully perform said Agreement, or Contractor shall be, and is declared by Truckee Meadows Water Authority to be in default under the Agreement, Truckee Meadows Water Authority having performed Truckee Meadows Water Authority's obligations thereunder, the Surety may promptly remedy the default or shall promptly:

- 1) Complete the Agreement in accordance with its terms and conditions; or
- 2) Obtain a bid or bids for completing the Agreement in accordance with its terms and conditions, and upon determination by Truckee Meadows Water Authority and the Surety jointly of the lowest responsive, responsible bidder, arrange for a contract between such bidder and Truckee Meadows Water Authority, and make available as work progresses (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the contract price, but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term "balance of the contract price", as used in this paragraph, shall mean the total amount payable by Truckee Meadows Water Authority to Contractor under the Agreement and any amendments thereto, less the amount properly paid by Truckee Meadows Water Authority to Contractor. No right of action shall accrue on this bond to or for the use of any person or corporation other than Truckee Meadows Water Authority or successors of Truckee Meadows Water Authority.

If Contractor shall fully, promptly and faithfully perform all Contractor's obligations under the Agreement, then this obligation shall be null and void; otherwise it shall remain in full force and effect. The Surety hereby waives notice of any alteration or extension of time made by Truckee Meadows Water Authority and its obligation is not affected by any such alteration or extension provided the same is within the scope of the contract.
