CONSTRUCTION WATER APPLICATION – FILL SITE (WATER CARD)

Company Name: _____

Federal Tax ID/Social Security #: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____ Fax Number: _____

Company Representative: _____ Cell Number: _____

Initial Deposit: \$100 collected with the completed application

Card Costs:

New Card: \$25 per card – collected with the completed application

Replacement Card: \$25 per card, damaged cards that can be read will have the same card number,
No Charge for cards returned that can be read by office staff, card number will remain the same

Lost Card: \$100 per card number

Damaged Card: \$100 per card, cards that can not be read will have a new number issued

- These charges cover removing the card number from the system at all sites.
- It is the customer's responsibility to notify TMWA as soon as possible when a card is lost. Any usage on the card is the customer's responsibility until it is removed from the system.
- The lost/damaged card charge will be paid before any new cards are issued.
- The cost for all new cards will be assessed and paid at time of delivery.
- It is the customer's responsibility to notify TMWA to deactivate cards that are not in use or to close the account.

Please note: If bills are not paid in a timely manner, cards will be removed from the system until the bill is resolved, a deposit three (3) times the highest bill (minimum deposit of \$100) and a reactivation fee of \$25 for each existing card has been paid.
