## **Addendum No. 1**

### **2015 Pressure Regulator Station Rehabilitation**

#### **TMWA Capital Project Number 16-0008**

#### **September 15, 2015**

The following information, clarifications, changes and modifications are by reference incorporated into the bid documents for the above referenced project. Any work item or contract provision not changed or modified will remain in full force and effect. The bid date and time and construction schedule remain the same.

#### **Summary of Addendum Items:**

#### **Questions/Clarifications:**

**Question No. 1:** We would like to visit the Markridge #1 Bypass PRS and the Belford #2 PRS. Will you please let us know when time permits for us to make these visits?

**Response to Question No. 1:** All facility locations (below grade vaults) in this Contract are controlled access and require TMWA personnel to be present during any pre-bid site visits. The Contractor can inspect the facility locations (above grade features and access) at any time without TMWA personnel present. TMWA can accommodate vault entry at the following locations at the day/times provided for any Contractors (or Subcontractors) who choose to attend:

<u>Location</u>	<u>Day &amp; Time</u>
Markridge #1 by-pass PRS (2760 Markridge Drive)	Tuesday 9/22/15 at 9 am
Belford #1 PRS (1832 Belford Rd.)	Tuesday 9/22/15 immediately following Markridge #1 Inspection

TMWA shall provide air monitoring equipment during the site visits. Anyone who enters the vaults shall be required to wear a hard hat (not TMWA provided). These site visits are non-mandatory and questions shall not be answered, these are for informational purposes only at the discretion of the bidder if they choose to attend.
