#### **QUESTIONS AND RESPONSES**

**Question No. 1:** We formally request an extension of the bid date. If the bid date cannot be extended, we would like to formally request that licensing be required upon award only.

Response to Question No. 1: The bid submittal date has been extended to Wednesday March 02, 2016, at 2:00 PM. Required licensing must be in-place and active at the time of bid in order for the bid to be considered responsive.

**Question No. 2:** Does my license have to be active at time of bidding or can the license be activated upon award?

**Response to Question No. 2**: The required State and local business licenses will need to be active at the time of bid opening.

**Question No. 3:** Does this mean we will need to apply for a multi-jurisdictional license or would a Washoe County Business License be sufficient?

**Response to Question No. 3:** Bidders will be required to hold an active business license with the State of Nevada, City of Reno, City of Sparks, and Washoe County.

Question No. 4: Please email the addresses of the 59 tanks to be inspected and cleaned out. Response to Question No. 4: See the attached sheets for further tank location information. The first attachment is a map that geographically shows the 59 tank sites relative to downtown Reno. The second attachment is a table showing each tank, address location, if available, and also coordinates to locate the tanks on Google Earth, or a similar mapping app (see attachments).

Question No. 5: I just wanted to clarify what are the exact documents required for our bid to be accepted.

**Response No. 5:** The bid proposal forms include page 2 through page 13 of the Bid Proposal Forms section. Please refer to the Instructions to Bidders for further guidance in preparing your bid proposal.

Question cut-off is Thursday, February 25, 2016 at 5:00 p.m.
