PUBLIC WORKS CONTRACT NO. PWP #2017-224**

RANGE FOR ENGINEER'S ESTIMATE: \$1,100,000.00 - \$1,500,000.00

PROJECT SCOPE: Truckee Meadows Water Authority (TMWA) is accepting sealed bids for all labor, materials, equipment, and incidentals required for the Mt. Rose Water Treatment Plant Diversion. The Site of Work is located in Washoe County. The Work consists of the construction of an infiltration gallery style water diversion on Whites Creek and complete the mass grading for the future Mt. Rose Water Treatment Plant. The project includes the mass grading of the future water treatment plant site, constructing an access road, constructing the diversion, installing landscaping, revegetating disturbed areas, installing an irrigation system, and applying temporary erosion control measures. The diversion will consist of a concrete structure constructed in the stream channel. The diversion includes a piping system, wedge wire filter, stainless steel support system, riprap, and ancillary components. The project will require provisions for a temporary flow bypass during construction. Construction activities will need to comply with the requirements of a US Army Corps of Engineers 404 Permit and a Nevada Division of Environmental Protection Temporary Working in Waters Permit.

TMWA will provide and has selected a consultant to provide backfill and compaction testing.

The Contractor shall provide any necessary surveying.

Project Control provided by TMWA.
