- Convenient Ways to Pay Your Water Bill

SMART ABOUT WATER QUICK FACTS:

90 PERCENT WATER POWER!

Most people don't realize that TMWA typically generates more than 90 percent of the power needed to run all of our facilities through hydroelectric power: a clean, renewable energy source. Once the water has passed through the power-generating turbines, it is returned to the river.

BE READY FOR THE COLD WEATHER: WINTERIZE YOUR HOME AND AVOID FROZEN PIPES

As temperatures drop this fall, you can avoid the expense and trouble of frozen water lines at your home or business by following these simple precautions before winter:

- When the cold weather finally sets in, it's time to shut off and drain your irrigation system. Disconnect and drain all outdoor hoses as well. We've created a short video to guide you through the process at tmwa.com/howto.
- If you have water pipes in an unheated garage or a crawl space under the house, wrap them with insulation tape before temperatures plummet. Hardware and home improvement stores offer appropriate pipe-wrapping tape.
- Close the foundation or exterior vents around your house during the cold months to help keep freezing air out of crawl spaces. In addition, seal off access doors, air vents, and cracks. Repair broken basement windows. Cold winds blowing through openings can quickly freeze exposed water pipes. However, avoid plugging air vents that your furnace or water heater need for circulation and safe operation.
- Keep garage doors closed if water lines are exposed.
- Adjust your home thermostat. During hard freezes or when you're away from your home for an extended period, set your thermostat to a temperature that will keep your pipes from freezing—no lower than 55 °F.
- Know the location of your master water shutoff valve. In many homes, it's where the water line comes into your house from the street. If a pipe bursts anywhere in the house—kitchen, bath, basement, or crawl space—this valve turns off all water and can help save your home from water damage. So, find it now and paint it a bright color or hang a tag on it. Be sure everyone in the family knows where it is. See our video about how to operate your master shutoff valve at tmwa.com/howto.

The main point of winterization is to be prepared before the cold weather sets in. No one wants the unwelcome surprise of broken pipes! For more tips and how-to videos on winterization, visit tmwa.com/winterize.

MORE WAYS TO PAY: PAYMENT OPTIONS OFFERED WITH CUSTOMER CONVENIENCE IN MIND

TMWA offers many convenient ways to pay your water bill: online, by phone, in person, by mail, or automatically—whatever method suits you best. In addition, payments made online and by phone are free of any convenience charges when you use your bank account.

- **RAPIDPAY-ELECTRONIC FUNDS TRANSFER:** You never have to worry about paying your bill on time with this convenient service. With RapidPay, we mail your water bill as usual. Your payment amount will be automatically deducted from your checking account on the day your bill is due. And because handling costs are lower, we credit your water bill 21 cents. Go to tmwa.com and click on the Login button in the upper right-hand corner to sign up, or call (775) 834-8080 for an application.
- **PAY ONLINE:** You can pay online with no additional charges by using your checking account, or you can pay by credit card with a \$2.50 convenience fee charged by the vendor. To set up your account or make a one-time payment, go to tmwa.com and click on the Login button in the upper right-hand corner.
- **PAY BY PHONE ANYTIME:** TMWA provides an automated payment system available via telephone at (775) 834-8080. This system allows you to pay your TMWA account 24 hours a day. There is no transaction fee if you use your bank account. If you choose to use your credit card, the vendor will charge a \$2.50 convenience fee for this service.
- **PAY BY MAIL:** Simply mail your payment using the remittance stub and return envelope provided.
- **PAY AT OUR OFFICE OR DROP BOX:** Located at 1355 Capital Blvd., at the corner of Capital and Corporate Boulevards, our lobby is open Monday through Friday from 8 a.m. to 5 p.m. If you wish to drop off your payment, you may take advantage of our convenient outside payment drop box located along Corporate Blvd.
- **STORE PAYMENT LOCATIONS:** TMWA accepts payments at many grocery and convenience store locations. Please note that customers must have their bills with them to make payments, and there is a \$1.50 Western Union charge for this service. Locations include most of the following stores: Scolar's, Raley's, Smith's, Safeway, Save-Mart, Walmart, Winco, and Sak-N-Save. For the complete list of more than 25 alternative payment locations throughout the community, please visit "Billing and Payment Options" on our website at tmwa.com.
