

Addendum No. 1

Spring Creek 5 and Thomas Creek Production Well Re-Drills

PWP Bid No.: WA-2019-114
TMWA Capital Project No.: 15-0058
January 2019

The following information, clarifications, changes and modifications are by reference incorporated into the bid documents for the above referenced project. Any work item or contract provision not changed or modified will remain in full force and effect. The bid date and time and construction schedule remain the same.

Informational Site Visit – Spring Creek 5 and Thomas Creek

A site visit is scheduled for January 30, 2019 at 10:00 am. Spring Creek 5 will be the first destination for a site visit. The Spring Creek 5 well is located on Hubble Drive in Spanish Springs, NV. Thomas Creek will be the second destination for a site visit. The Thomas Creek well is located on Brush Lane in Reno, NV. The site maps attached to the technical specifications in the bid package list the assessor's parcel number for each well location. Interested parties will meet a TMWA representative at the Quick Stop located in Sparks Nevada at 10:00 am. The Quick Stop is located at 125 Saloman Circle. Alternatively, potential bidders can visit each site at their convenience and view the existing wells through a chain-link fence.

QUESTION CUT-OFF DATE: February 6, 2019
