THIS AGREEMENT FOR CONSTRUCTION (the "Agreement"), made and entered into this 15th day of February, 2019, by and between **Zim Industries, Inc., 4532 E. Jefferson Avenue, Fresno, CA 93725**, a general contractor licensed by the State of Nevada (Nevada Contractor's License No. 37248) (hereinafter referred to as "Contractor"), and Truckee Meadows Water Authority, P.O. Box 30013, Reno Nevada 89520-3013 (hereinafter referred to as "Owner").

RECITALS

WHEREAS, Owner intends to construct the Project and is engaging Contractor to perform certain labor, supervision and services and to provide certain equipment, goods and materials for the Project as described herein.

WHEREAS, Owner has engaged Contractor based on Contractor's representations that it (i) is experienced in the type of work for which it is being engaged; (ii) is duly licensed and qualified in the State of Nevada to perform the type of work for which it is being engaged; (iii) is qualified, willing and able to perform the work for the Project; and (iv) has the expertise and capability to perform the work which will meet Owner's objectives and which will comply with all applicable laws and ordinances.

WHEREAS, Contractor acknowledges it has reviewed and familiarized itself with this Agreement, including the documents enumerated in Article 1, and agrees to be bound by the terms and conditions contained therein.

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, TMWA and the Contractor agree as follows:

1. CONTRACT DOCUMENTS. The "Contract Documents" consist solely of the Bidding Documents, Bonds, this Agreement, the General Conditions, Supplementary Conditions, Special Provisions Technical Specifications, Addenda issued prior to execution, Amendments issued after execution, and any other documents listed below:

None.

These documents form the entire contract and are as fully a part of the Agreement as if attached to this Agreement or repeated herein. Contractor represents and agrees it has carefully examined and understands this Agreement and the Contract Documents.

2. SCOPE OF WORK. The Contractor shall furnish all work, labor, services, supplies, materials, equipment, tools, traffic control operations, transportation, supervision, appliances, appurtenances and incidentals required for the prompt and efficient completion of the project described as the re-drilling and construction of two production wells at two separate sites. One well will be located in the Truckee Meadows Basin and one well will be located in Spanish Springs Valley. The successful bidder will perform and complete the following work: drill and construct two production wells following all applicable state and federal regulations, perform all mandatory downhole surveying, install and remove temporary test pumps, and complete well and aquifer testing on both production wells ("Project") as described in the Contract Documents and in accordance with the contract provisions, Plans, and Specifications, together with all work incidental or reasonably inferable which is necessary to produce the results intended by the Contract Documents (collectively, the "Work"). Contractor shall be responsible for the supervision and coordination of the Work, including the construction means, methods, techniques, sequences and procedures utilized, unless the Contract

Documents specifically provide otherwise. The Contractor represents and warrants that it has fully investigated the nature, locality and site of the Work and the conditions and difficulties under which it is to be performed, and that it enters into this Agreement on the basis of its own examination, investigation and evaluation of all such matters and is in no way relying upon any opinions or representations of the Owner, or any of their respective officers, agents, servants, or employees with respect thereto.

3. **TIME OF COMPLETION.** All times stated in the Contract Documents, including interim milestones and those for the delivery and installation of materials and equipment, are of the essence of this Agreement

3.1 **Commencement of Work.** Contractor shall promptly commence and diligently prosecute the Work to be performed under this Agreement on the date fixed in a Notice to Proceed and shall perform the Work diligently, expeditiously and with adequate resources so as to complete the Work on time.

3.2 **Completion of Work.** Contractor shall achieve Substantial Completion by **Fifty-Seven (57) calendar days from the date of the Notice to Proceed** and shall achieve 100 percent completion by **Ninety-Two (92) calendar days from the date of the Notice to Proceed**. In addition, the Contractor shall achieve any critical intermediate project milestone dates as identified and defined in Article 7 of the Supplementary Conditions. Contractor shall reschedule or resequence the Work, to the extent possible, to avoid or minimize any delay to the contract time. Contractor agrees it included adequate costs in the Contract Sum to provide sufficient levels of labor and equipment (including overtime if required) to insure that the specified dates are met. The contract time set forth herein assumes **zero (0) weather delay days** will occur during construction of the Project, and the Contract time will not be extended unless weather delay days exceed the days specified above. Should the Contractor fail to complete the Work in the time agreed upon, the Contractor will be subject to liquidated damages as provided herein.

3.3 **Liquidated Damages.** Owner and Contractor recognize time is of the essence and Owner will suffer extensive damages if the Work is not completed within the time specified above, the exact amount of which is difficult to ascertain as of the effective date of this Agreement. Accordingly, if Contractor fails to achieve Substantial Completion of the Work within the time specified above, Owner shall be entitled to retain or recover from Contractor, as liquidated damages for delay (but not as a penalty) the sum of **\$1,000.00 (One Thousand Dollars)** per day commencing on the expiration of the time specified above and continuing until the actual date of Substantial Completion is achieved; and if Contractor fails to achieve 100 percent completion of the Work within the time specified above, Owner shall be entitled to retain or recover from Contractor, as liquidated damages for delay (but not as a penalty) the sum of **\$1,000.00 (One Thousand Dollars)** per day commencing on the expiration of the time specified above and continuing until the actual date of 100 percent completion. Owner may deduct liquidated damages from any unpaid amounts then or thereafter due the Contractor under this Agreement. If TMWA terminates the Contractor for default, the resulting damage will consist of liquidated damages until such reasonable time as may be required for final completion of the work together with any increased cost occasioned by TMWA in completing the Work.

3.4 **Construction Schedule.** Contractor shall, not less than ten (10) calendar days after execution of this Agreement by TMWA, prepare and submit a proposed Construction Schedule to TMWA for review and acceptance in accordance with the General Conditions.

4. **CONTRACT SUM.**

4.1 **Construction Contract Price.** Owner shall pay the Contractor, as full and complete compensation for Contractor's timely performance of all the Work in accordance with the Contract Documents and to the satisfaction of Owner, the lump sum amount of: **One Million Six Hundred Thirty-Eight Thousand Three Hundred Eighty-Five (\$1,638,385.00) Dollars** (the "**Contract Sum**"). The amount set forth above includes the aggregate amount of all allowances and unit price items to be furnished or installed.

5. **PAYMENTS.**

5.1 Progress Payments. The Owner will pay the Contractor progress payments and the final payment in accordance with the provisions set forth in the Specifications computed from the actual quantities of work performed and accepted, and the materials furnished, at the unit and lump sum prices shown in the Proposal, as bid in conformance with the Contract Documents defined hereinafter. Owner will retain from such estimated value of the work done the amounts specified in the General Conditions. Owner shall pay to Contractor, at the end of each quarter this Agreement is in effect, interest for the quarter on the amount withheld at a rate to be determined by Owner in accordance with NRS 338.515. Except with respect to any payment withheld pursuant to NRS 338.525, the amount of payments withheld as provided herein shall be retained for a period of 30 days from the date of project Completion and acceptance. Contractor shall pay the subcontractors progress payments and pay interest on amounts retained from said progress payments in accordance with the provisions of NRS 338.510 through NRS 338.535.

5.2 Acceptance and Final Payment. As soon as practical following the completion of all phases of the Work, the Contractor shall make request by letter to Owner for a final inspection and acceptance of the Work, and if, in Owner's opinion, all provisions of the Contract Documents and Agreement have been satisfied, Owner will cause a Notice of Completion to be completed by the Project Representative and sent to the Labor Commissioner. Final payment, constituting the entire unpaid balance of the contract sum, shall be made by Owner to Contractor when the obligations in the Contract Documents have been fully performed by Contractor except for Contractor's responsibility to satisfy requirements, if any, which necessarily survive final payment; and the Notice of Completion has been sent to the Labor Commissioner and no prevailing wage disputes are under investigation by TMWA or pending before the Labor Commissioner. Final payment shall be made by Owner not more than 30 calendar days following the Notice of Completion, as specified in the General Conditions. Final payment is further subject to Owner's prior receipt from Contractor of all as-built drawings, certifications, prevailing wages, maintenance manuals, operating instructions, written guarantees, warranties, and bonds relating to the Work, and assignments of all guarantees and warranties from subcontractors, vendors, suppliers, or manufacturers, all as required by the Contract Documents. Acceptance of final payment by the Contractor shall constitute a full waiver and release by the Contractor of all claims against Owner arising out of or relating to this Agreement.

6. PREVAILING WAGE.

Contractor will pay, and will require all subcontractors to pay, unless otherwise exempt there from, all employees on said work a salary or wage at least equal to the prevailing salary or wage established for such work as set forth in the wage determinations and wage standards applicable to this work, as contained in or referenced by the Contract Document provisions for this Work. Pursuant to NRS 338.060, Contractor shall forfeit to the Owner, as a penalty, not less than \$20 or more than \$50 for each calendar day and portion thereof that each workman employed on the public work: (a) is paid less than the designated rate for work done under the contract by the Contractor or any subcontractor under him (b) is not reported to the public body awarding as required pursuant to NRS 338.070. In the performance of this Agreement, not more than eight (8) hours shall constitute a day's work, and the Contractor shall not require more than (8) hours of labor in a day from any person employed by him hereunder. Contractor shall keep accurate records showing the name, occupation and actual per diem wages and benefits paid to each workman employed by him in connection with this project. The records shall be certified in LCP Tracker and open to inspection by Owner, its officers and agents and at all reasonable hours. Contractor shall inquire, and shall require each subcontractor to inquire, of each worker employed in connection with the public work whether the worker wishes to voluntarily specify his or her gender and ethnicity, and shall record and maintain such responses in accordance with NRS 338.070.

7. INSURANCE.

The Contractor shall purchase and maintain prior to performing any Work on the Project, at its sole expense, from a company or companies authorized to do business in the State of Nevada, insurance policies containing the types of coverages and minimum limits of liability described in the General Conditions protecting from claims which may arise out of or result from the performance or non-performance of services under this Agreement by the Contractor or by anyone directly or indirectly employed by it, or by anyone for whose acts it may be liable, including

without limitation subcontractors, independent contractors, and agents. Contractor shall procure and maintain at a minimum the insurance as required in the General Conditions, and shall require all subcontractors to procure and maintain at a minimum the insurance as required in the General Conditions, including but not limited to industrial insurance as required by the Nevada Industrial Insurance Act and the Nevada Occupational Diseases Act. Contractor or his subcontractor(s) failure to pay premiums will automatically authorize Owner to, at its option, terminate this Agreement or withhold amounts from funds due the Contractor and make insurance premium payments on behalf of the Contractor and/or his subcontractors. Contractor shall provide Owner insurance certificates no later than 10 days after the date of the Notice of Award, and Contractor's failure to timely provide insurance certificates shall not result in any extensions to the contract time.

8. PERFORMANCE AND PAYMENT BONDS.

The Contractor shall, prior to the execution of the Agreement, furnish two bonds on the forms bound herein approved by the Owner, one in the amount of One Hundred Percent (100%) of the Contract Sum, to guarantee the faithful performance of the work, and one in the amount of One Hundred Percent (100%) of the Contract Price to guarantee payment of all claims for labor and materials furnished. This Contractor shall not begin work until such bonds are supplied to and approved by the Owner. Contractor shall provide Owner contract bonds no later than 10 days after the date of the Notice of Award, and Contractor's failure to timely provide bonds shall not result in any extensions to the contract time.

9. NONDISCRIMINATION.

In accordance with NRS 338.125, in connection with the performance of work under this Agreement, the Contractor agrees not to discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex or age. Such agreements shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Any violation of such provision by the Contractor shall constitute a material breach of the Agreement. Further, Contractor agrees to insert this nondiscrimination provision in all subcontracts hereunder, except subcontracts for standard commercial supplies or raw materials.

10. PREFERENCES.

10.1 Veteran's Preference. Contractor agrees to give preference as provided in NRS 338.130. If this provision is not complied with, the Agreement shall be void, and any failure or refusal to comply with this provision shall render the Agreement void.

10.2 Bidder Preference. To the extent Contractor has sought and qualified for a bidding preference and this project has a value of over \$250,000 pursuant to Nevada Revised Statutes Chapter 338, Contractor acknowledges and agrees that the following requirements shall be adhered to, documented and maintained for the duration of the Project, collectively, and not on any specific day:

a. At least 50 percent of the workers employed on the Project (including subcontractors) must hold a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles;

b. All vehicles used primarily for the public work will be (a) registered and (where applicable) partially apportioned to Nevada; or (b) registered in Nevada.

c. If applying to receive a preference in bidding pursuant to NRS 338.1727, at least 50 percent of the design professionals who work on the Project (including sub-contractors) hold a valid driver's license or identification card issued by the Nevada Department of Motor Vehicles; and

d. The Contractor and any subcontractor engaged on the public work shall maintain and make available for inspection within Nevada all payroll records related to the Project.

Contractor recognizes and accepts that failure to comply with any requirements herein shall entitle Owner to a penalty in the amount set by statute. In addition, the Contractor recognizes and accepts that failure to comply with any requirements herein may result in loss of certification for a preference in bidding for 5 years and/or ability to bid on any contracts for public works for one year pursuant to NRS Chapter 338.

11. WARRANTY.

In addition to any other warranties provided by law or in the General conditions, Contractor warrants the Work under this Agreement to be free from all defects for a period of one year from the date of final acceptance by Owner. Any defects found during this period shall be repaired by the Contractor at no cost to Owner in accordance with the requirements of the Contract Documents.

12. INDEMNIFICATION/HOLD HARMLESS.

Owner has established specific indemnification requirements which are fully set forth in the General Conditions, which Contractor has examined, understands and agrees to perform.

13. MISCELLANEOUS.

13.1 Termination. In addition to other provisions set forth in the Contract Documents, Owner has the right to terminate the Agreement without cause at any time upon giving Contractor seven days notice in writing. In the event the Agreement is terminated by Owner in accordance with this provision, Owner agrees to pay Contractor for all work satisfactorily completed and for materials installed prior to the date of termination to the extent otherwise due under this Agreement.

13.2. Governing Law. This Agreement shall be governed by, interpreted under and construed and enforced in accordance with the laws of the State of Nevada, with venue in the County of Washoe. Each party acknowledges and agrees that the laws of the State of Nevada and the selection of venue were freely chosen.

13.3 Compliance with Laws. Pursuant to NRS 338.153, Contractor shall comply, and shall insure each subcontractor and other person who provides labor, equipment, materials, supplies or services for the Project complies, with the requirements of all applicable state and local laws, including without limitation, any applicable licensing requirements and requirements for the payment of sales and use taxes on equipment, materials and supplies provided for the Project.

13.4 Boycott of Israel. If TMWA was required by NRS 338.1385 to advertise for this Agreement, by signing this Agreement, the Contractor provides a written certification that the Contractor is not currently engaged in, and during the Term shall not engage in, a Boycott of Israel. The term "Boycott of Israel" has the meaning ascribed to that term in Section 3 of Nevada Senate Bill 26 (2017). The Contractor shall be responsible for fines, penalties, and payment of any State of Nevada or federal funds that may arise (including those that TMWA pays, becomes liable to pay, or becomes liable to repay) as a direct result of the Contractor's non-compliance with this Section."

13.5 Confidentiality. Contractor acknowledges and agrees the Drawings and Technical Specifications reveal critical infrastructure of facilities used for storing, transporting or transmitting water as contemplated by Nevada's Homeland Security Act, and that the disclosure or release of the Drawings and Technical Specifications to any unauthorized person would create a substantial likelihood of compromising, jeopardizing or otherwise threatening the public health, safety or welfare. Contractor shall not, and shall ensure its Subcontractors, employees and agents shall not, knowingly disclose such documents or information or assist, solicit or conspire with another person to disclose such documents or information Contract Documents without the express prior written consent of

Owner.

13.6 Attorneys' Fees. Any such attorneys' fees and other expenses incurred by either party in enforcing a judgment in its favor under this Agreement shall be recoverable separately from and in addition to any other amount included in such judgment, and such attorneys' fees obligation is intended to be severable from the other provisions of this Agreement and to survive and not be merged into any such judgment.

13.7 Modifications. This Agreement cannot be changed orally, and no executory agreement shall be effective to waive, change, modify or discharge it in whole or in part unless such executory agreement is in writing and is signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought
