CONSTRUCTION WATER APPLICATION – FILL SITE (KEY FOB)

Company Name: _____

Federal Tax ID/Social Security #: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____ Fax Number: _____

Company Representative: _____ Cell Number: _____

Initial Deposit: \$100 collected with the completed application

Fob Costs:

- New Fob: \$25 per key fob – collected with the completed application
- Replacement Fob: \$25 per key fob, damaged fobs that can be read will have the same number. No Charge for key fobs returned that can be read by office staff. The replacement fob number will remain the same
- Lost Fob: \$100 per key fob number
- Damaged Fob: \$100 per key fob that can not be read will have a new number issued

- These charges cover removing the key fob number from the system at all sites.
- It is the customer's responsibility to notify TMWA as soon as possible when a fob is lost. Any usage on the fob is the customer's responsibility until it is removed from the system.
- The lost/damaged key fob charge will be paid before any new fobs are issued.
- The cost for all new key fobs will be assessed and paid at time of delivery.
- It is the customer's responsibility to notify TMWA to deactivate fobs that are not in use or to close the account.

Please note: If bills are not paid in a timely manner, fobs will be removed from the system until the bill is resolved, a deposit three (3) times the highest bill (minimum deposit of \$100) and a reactivation fee of \$25 for each existing fob has been paid.
