

NOTICE OF PUBLIC OPEN HOUSE
TO DISCUSS TMWA'S PROPOSAL TO CHANGE RULE 7 DEMAND ESTIMATES

Tuesday, November 12, 2019 from 5:30 – 6:30 p.m.

Truckee Meadows Water Authority, 1355 Capital Blvd., Reno, NV 89502

Truckee Meadows Water Authority ("TMWA") will hold a public workshop on Tuesday, November 12 at the location listed above. The purpose of this gathering is to receive input and comments from the public on TMWA's proposal to change the water right dedication formula under Rule 7 for single-family and multi-family services. The reason for the proposed change is that water usage data for single-family and multi-family customers show a statistically distinct downward pattern of water use on average. This workshop will give the public an opportunity to provide feedback to TMWA staff before a formal rule change is presented to the TMWA Board of Directors.
