John Zimmerman, TMWA Water Resources Manager, informed the TMWA Legislative Subcommittee there were no new bills to introduce to them today. Mr. Zimmerman, Leo Drozdoff, TMWA Lobbyist, and Michael Pagni, TMWA General Counsel and WRWC General Counsel, reviewed the status of bills tracked by TMWA and WRWC.

Staff reported on bills: AB87 (proposes to streamline the process by which certain easements of cities and counties can be vacated and abandoned without a hearing) staff had concerns that the form on the amendment overlooked TMWA's language that the sponsor agreed to, but NELIS updated the form and TMWA's language is now included, can move from oppose to neutral; AB97 (revises provisions governing toxic chemicals) TMWA staff communicated with the bill sponsor that TMWA moved from oppose to support and he expressed appreciation for the change in position; AB3 and AB325 (allows for electronic recording of documents) both bills passed Assembly unanimously and now in the Senate; and AB368 (issuance of bonds for environmental improvement projects at Lake Tahoe) and SCR9 (Nevada System of Higher Education to work collaboratively in science and research efforts to address climate change at Lake Tahoe) notified the bill sponsor of TMWA's position of support.

Mr. Zimmerman informed the Subcommittee that the proposed Innovation Zone bill has not been introduced and the Legislature intends to create a Senate Committee to study the concept during the interim and will be taking public comment; staff will be monitoring during the interim.

Chair Dahir stressed how important it is to have them work with us and inquired if we can be proactively involved in the study. Mr. Zimmerman replied that TMWA will be involved with the committee and staff has been contacted by their lobbyist and lawyer.

Member Hill said it would be beneficial if staff could provide updates as discussions progress with the state and how they can be supportive.

Member Duerr said staff has done a great job this session with keeping them updated and asked about the status of AB146 (addresses various requirements to control water pollution). Mr. Drozdoff replied there was not much to update since last meeting; the bill passed out of the Assembly, without fiscal impact, and is now in the Senate.

Upon motion duly made by Member Duerr and seconded by Member Hill, and carried unanimously, the TMWA Subcommittee accepted the report and staff recommendations on existing bills and to change position on AB87 from oppose to monitor.

Upon motion duly made by Member Hill and seconded by Member Dahir, and carried unanimously, the WRWC Subcommittee accepted the report and staff recommendations on existing bills and to change position on AB87 from oppose to monitor.

7. DISCUSSION AND POSSIBLE DIRECTION TO STAFF REGARDING SCHEDULING OF FUTURE CONCURRENT MEETINGS OF TMWA AND WRWC LEGISLATIVE SUBCOMMITTEES.

Mr. Zimmerman said it was not necessary to schedule another meeting right now, but if something comes up staff will contact the subcommittee members to schedule one.

No action taken.
