Truckee Meadows Water Authority (“TMWA”) will hold a Second Reading on Thursday, May 23, 2024 at 10:00 a.m. of the proposed revisions to the TMWA Rate Schedule WSF – Water System Facility (WSF) Charges which includes Area Fees and Facility Charges. Proposed revisions to Rate Schedule WSF – Water System Facility Charges reflect the routine recalculation and updating of fees to be paid by new development to reimburse the Truckee Meadows Water Authority for capital investment in water system facilities which provides capacity to serve growth. Water System Facility Charges were last updated in 2022. These proposed changes do not impact water use rates paid by customers.
