Truckee Meadows Water Authority

RULE 9

SERVICE AREA BOUNDARIES

The Service Area for which water will be served by the Authority, or the areas which may be used by customers, under these rules and regulations is depicted in the map on the preceding page. The map is regarded as planning and resource level information, generated to illustrate the general location of the Service Area. Please note that because the Authority's Service Area undergoes frequent modification, Service Area boundaries are subject to change. The Authority attempts to keep a current interactive map posted at its website, at <http://www.tmwamaps.com/>. The Authority does not warrant in any way that the online data or the map on the preceding page will meet the end user's requirements, or that the data will be complete, accurate, uninterrupted or error free, or that any defects will be corrected. Questions regarding the exact location of properties with respect to the Authority's Service Area should be directed to the Authority.
