### **QUESTIONS AND RESPONSES**

**Question No. 1:** In the revised bid schedule Line item #1 says Mobilization/Demobilization: Innovation well site. At the end of the bid schedule for Innovation below #29 is the same line item Mobilization/Demobilization: Innovation well site. I assume that is not a line item to bid so should it be left blank?

**Response to Question No. 1:** The question originally posed in Addendum No. 3 relates to TMWA's Addendum No. 1 issued on July 16, 2015. There is only one mobilization/demobilization bid list item in the Bid Schedule for Innovation Well.

Please use and submit the Revised Bid Schedule dated (7/16/15), which was included as an attachment to Addendum No. 1, and strike out the duplicate mobilization/demobilization line item appearing in the Innovation Well portion of the Bid Schedule after line Item No. 29.
