

Assigned-Day Watering
easy as 1-2-3

Mon Tue Wed Thu Fri Sat Sun

Even Odd

No watering between noon and 6:00 p.m. from Memorial Day through Labor Day.

Assigned-Day watering returns this irrigation season, offering TMWA customers the flexibility of three watering days. To help you prepare for the summer irrigation season, we're offering free irrigation workshops. All workshops will last one hour, and will take place at TMWA's main office, 1355 Capital Blvd. in Reno. Please RSVP by calling 834-8005 or emailing conservation@tmwa.net.

Irrigation System Start-up Workshop

Wednesday, April 6 at 5:30 p.m.

Tuesday, April 12 at 5:30 p.m.

Setting Your Irrigation Controller Workshop

Wednesday, April 20 at 5:30 p.m.

Tuesday, April 26 at 5:30 p.m.

truckee meadows
COMMUNITY
FORESTRY
COALITION

Proper tree care begins with proper watering. Join certified arborist Dale Carlon for a workshop on how to properly water your trees. Workshops will last one hour, and will take place at TMWA's main office, 1355 Capital Blvd. in Reno. Please RSVP by calling 834-8005 or emailing conservation@tmwa.net.

Tree Watering Workshops

Wednesday, May 11 at 5:30 p.m.

Tuesday, May 17 at 5:30 p.m.

Workshops at Wilbur D. May Arboretum & Botanical Gardens

Spring Sprinkler Tune-up Workshop

Saturday, April 2

8:30 - 10:30 a.m.

Rancho San Rafael Park, Ranch House

Join Washoe County Regional Parks Horticulture Assistant, Phil Brazier from the May Arboretum in a two-hour workshop on how to turn-on and tune-up your sprinkler system. Learn how to troubleshoot problems, make repairs and make certain your sprinklers will be working efficiently. Call 785-4153 to RSVP.

Northern Nevada Native Plants

Wednesday, June 15

6:00 - 7:00 p.m.

Rancho San Rafael Park

Join Lynda Nelson, Washoe County Park Planning Manager and former horticulturist for the May Arboretum in an hour long educational plant identification tour. With 30 years working with native plants, Lynda will show you the ones that survive in our area, and ones that are used frequently with great success that use very little water in the landscape. Don't miss this hands-on experience. Bring a camera, paper and pencil for taking notes. Call 785-4153 to RSVP.
