

Truckee River Urban Watershed Awareness Day: August 18, 2012

Join Us for a morning
of protecting
the Truckee River!

You know that our
creeks drain to the
River. *It's easy to
forget that gutter flow
carries everything in
its path into the River.
Pet waste. Fertilizers from
over-watering. Oils.
Pesticides. Yard waste.*

Help us get the word out
by stenciling storm
drains, and reduce our
(negative) urban slobber
impacts to the River.

The River needs you:
Sign Up today!

Email or call KTMB

staff@ktmb.org or 851-5185

On August 18:

Meet at your designated location-
either in NW Reno, SW Reno
or Midtown.

8:00 am: Gather, meet your team,
learn about the watershed.

8:30 am: Head out to the
neighborhood with your team
for storm drain messaging.

11:30 pm: Wrap it up, return to
your starting place, and feel
good about doing your part to
keep our River Clean.

This event sponsored by the Truckee Meadows Watershed Committee
and Keep Truckee Meadows Beautiful. For more info please visit

www.tmstormwater.com or call KTMB at 851-5185
