

TO: Board of Directors
THRU: Mark Foree, General Manager
FROM: John Erwin, Kim Mazeris
DATE: 4 May 2015
SUBJECT: **Second and Final Reading, Public Hearing and Possible Adoption of Resolution No. 228 to amend TMWA's Water Rate Schedules for conversion of flat rate to metered billing: Amending applicability of Rate Schedules Residential Metered Water Service (RMWS), Residential Flat-Rate Water Service (RFWS), Small Unit Flat-Rate Service (SUFR), Multiple-Unit Residential Flat-Rate Service (MRFS), Multiple-Unit Residential and Irrigation Service (MRIS), and Former Washoe County Rate Residential Unmetered Service for Residential (FRMWC, subpart RFWD)**

RECOMMENDATION

Based on prior Board direction to effect the conversion of TMWA's flat-rate billed services to metered billing, staff presents for the Board's consideration and discussion, with possible direction to staff, the Second Reading of proposed amendments to TMWA's Water Rate Schedules which will amend the applicability of the following Schedules:

- Residential Metered Water Service (RMWS)
- Residential Flat-Rate Water Service (RFWS)
- Small Unit Flat-Rate Service (SUFR)
- Multiple-Unit Residential Flat-Rate Service (MRFS)
- Multiple-Unit Residential and Irrigation Service (MRIS)
- Former Washoe County Rate Residential Unmetered Service for Residential (FRMWC, subpart RFWD)

Proposed amendments are shown in the attached redline copies. The amendments, if adopted after the hearing for the Second Reading are proposed to become effective the start of business day October 1, 2015 as previously directed by the Board.

DISCUSSION

At the December 2014 meeting, the TMWA Board of Directors voted to approve an accelerated schedule for public input and consideration of the conversion of remaining flat-rate customers to metered billing with a proposed effective conversion date of June 1, 2015.

At the March 2015 meeting, the TMWA Board of Directors voted to modify the accelerated schedule, making conversion effective October 1, 2015 while electing to keep the first and second readings scheduled for April and May 2015.

Staff conducted an Open House/Customer Workshop on this topic on March 10, 2015. All customers were notified of the workshop via bill insert. Notification was also sent to over 62,000 customers via e-mail newsletter. And, all flat-rate customers were sent a direct mail notification of the workshop, as well as the timeline, with a total of 6,115 letters mailed.

Approximately forty (40) people attended the Open House. Thirty-seven (37) attendees requested bill comparisons be calculated. Fifteen (15) customers found they would have saved money over the past year had they been on the metered rate; seven (7) found they would have paid approximately the same over the past year had they been on the metered rate; and, fourteen (14) found they would have paid more over the past year had they been on the metered rate. Three (3) individuals decided to convert to the metered rate while at the Open House after receiving this information. In addition, fifteen (15) public comments were submitted: three (3) supported and twelve (12) were opposed to the switch to the metered billing. Seventeen (17) written comments had been received via e-mail or sent via U.S. mail with approximately two-thirds that would save or pay the same on the metered rate, and one-third that would pay more.

To effectuate a conversion to metered billing, TMWA must amend existing flat rate tariff schedules. The attachments show all proposed amendments to the seven (7) affected tariff pages with "redline" edits to the text.

As a result of the First Reading at the Board's April 15, 2015, the conversion of STMGID flat rate customers and amendments to Rate Schedule FRMSGID, subpart RFWG were deleted for further consideration under this Item. Future conversion of former STMGID flat rate customers to the STMGID metered rate is not being considered at this time. These customers will convert to the TMWA metered rate based on the earlier of the sale of their home or by 2035.

After December 31, 2019:	0% of total bill

SPECIAL CONDITIONS

1. ~~Conversion to Metered Rates. Upon any change in the billing Customer of record at an existing RFWD Service Property or upon request to the Customer at the Service Property, the delivery of water service to the Service Property shall thereafter be subject to the metered rate under applicable Rate Schedule RMWD1 or RMWD2.~~
- 2.1. Installation of Meters. The Authority will install Meter Facilities as soon as practicable on any Unmetered Service Property subject to the FRMWC Rate, with costs to be borne by the Authority in accordance with Rules 2 and 6.
- 3.2. Backflow Charge. This charge applies to single family residential Customers where the Service Property has a backflow prevention assembly maintained by the Authority. The monthly charge applied per Billing Period for operations, maintenance, service and annual testing associated with the backflow prevention assembly is \$4.50.
- 4.3. Closed Tariff. Rate Schedule FRMWC is closed and shall not be applicable to any applications for the delivery of water to a new service.
