

IN APPRECIATION

Presented this 7th day of February 2012 to

ERNEST BUCHNER

With deep appreciation and admiration of your
Dedication, Integrity and Commitment to Excellence in the
Truckee Meadows Community, as you voluntarily served on the
Truckee Meadows Water Authority Standing Advisory
Committee since its inception in 2005, providing guidance to
TMWA’s financial and rate making processes.
Your contribution to the analysis and recommendations of the
Standing Advisory Committee was invaluable to the Board, to
the staff and, ultimately to the customers of the Truckee
Meadows Water Authority
